

The use of your library card will help you to view the selection of the 135 digital magazine collection. Crafts, cooking, history, health, news, etc. are all a click away.

Just click on the Digital Magazine image on our website.

Then “Create a New Account” with your library card, name and email address. You are ready to browse or start reading. By clicking the box for notification of each new issue, you will be notified by email when that issue is available.
