

If you have a busy life, it is sometimes difficult to keep track of all the deadlines and due dates. How about a free personal assistant to help keep track of your library items? Notifications include:

- ❖ Upcoming due dates
- ❖ Overdue materials
- ❖ Requested items ready for pick up

Patrons can choose:

- ❖ Notification via text or email
- ❖ Customize dates of notification
- ❖ Consolidated notifications
- ❖ Manage more than 1 library account (good for families with multiple cards)

To sign up for **Library ELF** you need your **library card barcode** and a **pin**. Then go to the Library Elf icon on the left-hand side of the Livingston Free Library webpage.
