

## Livingston Free Library Book Club

The Livingston Free Library meets the 1<sup>st</sup> Friday of the month at 11:30 AM. The next meeting will be October 1<sup>st</sup>. New members are welcome. Call the library for more details at (518)851-2270 or email at [Livingstonlibrary105@gmail.com](mailto:Livingstonlibrary105@gmail.com).

Meeting locations may change. The October meeting will be held on the lawn behind the Livingston Town Hall. Members are to bring their own lawn chair.

You can contact the library to reserve a copy of this book for you. This book is also available on *Hoopla* in e-audiobook format.

**How the Irish Saved Civilization** is the story of how an isolated island, too small and barbaric for the Romans to bother with, played a heroic role in saving Western civilization. It is a story of transition and movement—classical to medieval—a hinge of history that hasn't been studied much before.
